How to borrow a car on HoppyGo?

Download HoppyGo app and **register yourself.**

You will need your driving licence. Registration will be confirmed within a few minutes.

Pick a car, place and time, which is best for you.

Add insurance.

For most people we recommend Standard.

Message the owner.

Apply 200 CZK discount using the code "**ESNCZ**".

Pay and wait for the confirmation.

Pick up your car and **enjoy** the ride!

You will need a charged phone connected to the internet and the HoppyGo app.

Don't forget to share your experience on socials and please give us a review on Google.
