#### Who we are

Spotahome is the safest way to book mid- to long-term accommodation in Europe, directly from your mobile phone.

The homes advertised on our site are personally visited by one of our Homecheckers, professional photographers who take high-quality photos, create an HD video tour, detailed floor plans and honest descriptions of the property and neighborhood.

The most complete property listings mean that you can view, choose and book your property directly online, and enjoy a discount on the booking fee with your partner promo code.

#### How it works

Choose the city, move in and move out dates. Find the home that suits you best and click on "Book Now". Complete all the details in the Booking Form and enter the promo code on the payment page (step 3) to get a discount on the booking fee.

The money will only be debited from your account when the landlord accepts your booking.

#### How the Booking Process works

Once the booking request has been submitted, we will forward it to the landlord, who has 24 working hours to respond.

When the landlord accepts your booking, we will confirm it to you via email and share your details with them and vice versa. At this time we will also take payment for the first month's rent and booking fee automatically

If the landlord does not accept your booking, we will offer you similar accommodation options or alternatively you may also choose a full refund.

#### **Move-in Policy**

Once you arrive at the property, you have 24 hours to notify Spotahome in case of any significant deficiencies or any inaccuracies in the listing. Spotahome will then work to remedy the situation.
